SUMMER CAMP 2009

Now This Is FUN!!!!

Once again, the best summer camp experience in Northeast Florida will be at The Village Academy. And Village Academy *North* students will join the fun.

Each morning at 8:10 am, our air-conditioned, seat-belt equipped bus will leave for The Village Academy. There, your child will enjoy the full camp experience on our 4 acre campus with two swimming pools and a gym. Our counselors are from across the globe, to maximize your child's experience and let them interact with people from other cultures. We hire staff that genuinely care about children and are willing to work with your child to create a wonderfully fun, memorable experience.

We divide our campers by age and gender. We have 5 fun-filled rotations each day, which give your child experience in indoor and outdoor sports, arts & crafts, drama, and much more. We swim daily, and offer weekly field trips.

New Part-Time Option

We recognize that the down economy is having an impact on our families. For the first time, we are offering a part-time option. Your child may attend camp 5 days per week, from 2 to 10 weeks. In addition, a 2 or 3-day per week option is offered for 5 and 10 week commitments. Of course, the more you attend, the more activities and fun your child will have.

See the back of this sheet for the tuition schedule - the more you attend, the more you save!
