

Welcome to the Village Academy Summer Camp 2018

Hi there,

I am pleased to be the new Director of the Village Academy Summer Camp 2018. I come from a little place in Ireland called Aghyaran in County Tyrone and I cannot wait to come back to St. Augustine, which I now consider to be my second home. I always enjoyed coaching and mentoring children which lead me to complete my Bachelor's Degree in Sports Development with Physical Activity. I graduated with honours from John Moore's University in Liverpool, England. In addition to my work in Ireland and England, I have worked in The Village Academy Summer Camp for the past 3 years as a counsellor through the Camp America cultural exchange programme. The Village Academy has partnered with Camp America for over 15 years now to provide the best staff for our campers so they will have fun summer camp experiences and memories that will last a lifetime.

I am currently working as an International Regional Interviewer for Camp America while I plan and develop the 2018 summer camp curricula and plans for The Village Academy Summer Camp. I am eager to welcome our campers back and I am confident that they will love the fun new themes and activities that we have planned for this summer. Last summer was our biggest camp year ever and I look forward to introducing new activities to our campers while still including many more messy and gooey challenges, exciting morning round ups, wacky science explosions, Fun with Food, daily swimming, and even more slime! We will be incorporating volunteer work and more character building activities this year as well as a few new field trips. Your children will leave camp knowing they have much to offer our world and they will have made many fun memories! Please feel free to contact me with any questions, at any time.

Sincerely,
Kevin Penrose
Summer Camp Director
