

# Curiosity Camps 2018

One-Week Mini Camps for three-year-old children and recent VPK graduates.

Monday – Friday, 9:00 AM – 12:00 PM

\$100/week

\$45/week for students enrolled with us fulltime for summer

❖ **June 11-15: Iron Chef Cooking Camp**

Children will learn about food through measuring, math skills, preparing, and tasting. They will learn about making healthy choices, etiquette skills, and menu planning.

❖ **June 18-22: Van Gogh Art Camp**

Children will learn about famous artists and the various mediums they use. They will explore colors and expression through multi-media art projects.

❖ **June 25-29: Jurassic Week**

Children will explore various dinosaurs and learn about their different characteristics. They will have the chance to participate in activities such as a dino dig, making fossils, and building their own dinosaurs!

❖ **July 9-13: Wacky Science Camp**

Children will get to see science come alive with different experiments, volcanoes, and chemistry throughout the week.

❖ **July 16-20: D.I.Y. Projects**

Children will try their hand at all types of D.I.Y. activities. Some examples of projects they will create are bird feeders, wind chimes, play dough, musical instruments, paper airplanes, and much more!

❖ **July 23-27: TBD**
